REPORT: Goonj Forum

EVENT REPORT

As part of the school's community outreach program, G.D. Goenka Public School, Sarita Vihar is associated with Goonj, an NGO for the underprivileged.

Goonj's flagship program – **'School to School'** patented as **'Khushion ka recycle'** was organized at G.D. Goenka Public School, Sarita Vihar from April 16, 2018 – April 27, 2018. Parents and students were sensitized on how urban waste can become a rural resource and they were also encouraged to contribute school related material like old uniforms, water-bottles, lunchboxes, toys, books, stationery items, old school shoes and bags. The students were made aware about the **'Kushiyon ka recycle'** and how small contribution from their end can make a big change to the society. Goonj ensures learning for thousands of children in far flung villages with dignity and happiness.

The contribution drives organized at the school are not just an intrinsic part of our social responsibility but also a forum to instill the values of fellow feeling and kindness among the students. These are life skills demonstrated in action. Students and teachers participated in this contribution drive with full enthusiasm and the collection was forwarded to Goonj.
