EVENT REPORT

G.D. Goenka Public School, Sarita Vihar is associated with Goonj, an NGO for the underprivileged since its inception 4 years ago. As part of the school's Community Outreach Programme an URGENT APPEAL to join GOONJ's 'RAHAT FLOODS' campaign commenced from July 23 to July, 26 2019. The flood disaster has affected millions of people; in Assam and Bihar. The floods have triggered forced displacement and compelled more than 3 million people to seek shelter in relief camps on higher grounds. Infrastructure, Livestock, Agriculture land etc. all have been affected and people will have to start all over from scratch.

A number of schools have also been completely destroyed and are in want of help. G.D.

Goenka Public School, Sarita Vihar in its endeavor of contributing towards the flood stricken victims, participated in the '**Rahat Floods Campaign**' an initiative of 'Goonj' in full swing. The school spawned awareness among students and teachers by promoting the campaign within the campus by placing donation boxes and requesting the students to donate generously.

The students were encouraged to contribute dry food items - (rice, pulses, spices, milk powder, sugar, tea leaves, biscuits), tarpaulins & ropes, sarees, children clothing, new undergarments, bed sheets & curtains, good quality blankets, umbrellas & raincoats, mosquito nets and backpacks which would help the victims to start their lives again.

The values of empathy and compassion, which are inculcated in the students as part of their curriculum were reflected in their generous contribution and urge to help. All students from

Grade Nursery to XI and the faculty tried to reach out in their own way to help in the relief and rehabilitation after the natural calamity.
