### ICE- CREAM DAY

“You can’t buy happiness but you can buy ice-cream and that’s kind of a same thing...”A chance to relish ice-cream during summer is something hardly anyone of us would miss.

On April 29, 2016, **Ice- cream Day** was celebrated in the school. All the students from **Class Nursery to II** were served delicious ice-cream from an ice- cream vendor of **VADILAL**. The cart was parked inside the school premises. An Ice-cream parlour was also set up, where the children made a choice between chocolate and strawberry syrup and gems to have as toppings for their ice-cream. Thus making their ice-cream customized to the taste. The decor of the venue and ice-cream song played in the background, added to the fun and beauty of this occasion. Students also prepared an Ice-cream craft from recycled paper which they took home as a token of remembrance for this special day. A presentation on this frozen desert was also shared with the students, educating them about the same.

The happy smiles on the students’ faces were a proof of the fun the children had on the Ice-cream Day
