'I am one of God's greatest creations' ☺

Each child is blessed with his / her own individuality. To value the uniqueness and special qualities of every child, the students of classes Nursery, KG and I of G D Goenka Public School, Sarita Vihar, celebrated the 'Incredible Me Day' on April 25, 2017.

The students of Nursery class made a special handcrafted badge which read 'Incredible Me'. The badge, which was later pinned to their chests to fill their hearts with pride about their incredibility. The tiny tots of Kindergarten and Class I made cut outs of their beautiful faces and bodies. The smile they drew on the cut outs marked the special smile that each one of the little ones are blessed with.

The students also spoke lines on the topic and threw light upon how the almighty has created all of us in an incredible manner. They discussed their likes and dislikes, special talents and qualities which define them.
