

THEME: Blue Day Celebration

DATE: Friday, August 21, 2026

CONDUCTED BY: Junior School

ATTENDED BY: Students of Nursery

Event Report

Blue, the colour of the sky and sea, symbolising calmness, tranquillity and endless possibilities, was thoroughly enjoyed by our little ones. Blue Day was celebrated in Nursery on Friday, August 21, 2026, with children and teachers dressed in their 'Blue Best.' The children also brought a variety of blue-coloured objects such as blueberries, blocks, balloons, toys, books, bottles and pencils in different shades of blue.

Colour recognition was reinforced through a fun Show and Tell activity, where the children displayed their objects and spoke a few sentences about them, helping to develop their confidence and public speaking skills. The little ones also participated enthusiastically in blue-themed art and craft activities and enjoyed singing rhymes and songs based on the colour blue.

The Blue Day celebration encouraged our young learners to explore and appreciate the beauty and joy that colours bring to our lives. It was a wonderful day filled with fun, creativity, learning and enthusiasm, leaving every child with a smile and a heart full of joy — A Blue Delight!
