

REPORT: RAKSHABANDHAN CELEBRATION

DATE: 21 AUGUST 2026

CLASS: NURSERY - GRADE II

“Raksha Bandhan celebrates not just a thread, but a beautiful bond of love, trust, care and togetherness.”

Raksha Bandhan is a special festival that celebrates the loving bond between brothers and sisters. The rakhi is a symbol of love, care and protection. It also teaches children the importance of sharing, respecting and caring for their loved ones.

G.D. Goenka, Sarita Vihar celebrated the festival of *Raksha Bandhan* on August 21, 2026, with great enthusiasm and joy. On this day, the students were introduced to the significance of the festival and were encouraged to understand the values of love, respect, sharing and caring for one another.

Goenkans from grade Nursery to Grade II participated enthusiastically in various *Rakhi-making*, making of ‘*Puja Thalīs*’ and festive activities, showcasing their creativity and imagination. The Nursery classes, concept integration was at this peak when the children beautifully integrated the concepts of blue colour, the letter ‘b’ and the square shape while creating thoughtful rakhis for their beloved siblings/ parents. The activity made the learning experience more engaging, joyful and purposeful, while allowing them to celebrate the spirit of Raksha Bandhan.

Along with making decorative rakhis, students across all classes also participated in a ‘*Rakhi Puja Thali*’ decoration activity. They beautifully decorated their thalis with traditional elements such as sacred rice (chawal), tikka and sweets, adding a festive touch to their creations. The children used a variety of decorative materials, including studs, mirrors, stickers and other embellishments, to showcase their creativity and make their thalis colourful and attractive.

The celebration concluded on a joyful note, with the school echoing with smiles, creativity and the spirit of togetherness.
