EVENT REPORT

"Chocolate is happiness that you can eat." – Ursula Kohaupt

From cocoa beans to delightful treats, chocolate has a special way of bringing people together. Celebrated every year on 7th July, World Chocolate Day is a celebration of joy, creativity, sharing, and the sweet moments that make childhood memorable.

World Chocolate Day was celebrated with immense excitement and enthusiasm at G.D. Goenka, Sarita Vihar, where learning blended beautifully with fun, creativity, and delicious treats. The celebration provided students with an opportunity to explore the fascinating world of chocolate through a variety of engaging hands-on activities. To enrich their learning experience, a beautifully curated Chocolate Corner was set up, showcasing a variety of chocolate-based products such as cocoa beans, chocolate bars, spreads, cookies, muffins, ice creams, candies, and milkshakes. The colourful display helped children understand the many forms in which chocolate is enjoyed in everyday life.

Children added a special touch to the celebration by bringing wrappers of their favourite chocolates and participating in an interactive Show and Tell activity. They confidently spoke about the chocolates they liked, shared interesting facts, and identified different chocolate products. One of the most memorable moments of the day was the Goenkan Kitchen activity, where the little chefs prepared frozen chocolate-coated banana bites by dipping chilled banana pieces into melted chocolate, creating a delightful dessert that they thoroughly enjoyed. The activity encouraged sensory exploration, fine motor development, and healthy food choices while creating a meaningful learning experience.

The celebration concluded on a joyful note with children sharing chocolates with their friends, spreading happiness and kindness all around. Their cheerful smiles, sparkling eyes, and excitement reflected the true spirit of the occasion. World Chocolate Day became a perfect blend of learning, sharing, creativity and sweet memories, making it a truly delightful experience for every young Goenkan.
