

THEME: World Emoji Day

DATE: Friday, July 17, 2026

CONDUCTED BY: Junior School

ATTENDED BY: Students of Nur-II

Event Report

World Emoji Day celebrates the joy of expressing emotions in fun and creative ways, encouraging children to communicate their feelings while making learning engaging and enjoyable. Keeping this spirit alive, **G. D. Goenka Satita Vihar, Junior Wing**, celebrated World Emoji Day with great enthusiasm and excitement. The entire day was filled with laughter, happiness and vibrant energy, truly capturing the essence of childhood creativity and self-expression.

The young learners enthusiastically posed as their favourite Emojis, transforming the school into a colourful and cheerful space. From the mischievous to the cool, every emoji came to life through the children's expressive faces and infectious smiles. A variety of fun-filled, age-appropriate activities were organised for each grade. Nursery students enjoyed a Dice Emoji Game, Kindergarten children enthusiastically played Guess the Emoji, Class I students creatively drew emojis and wrote about their feelings, while Class II learners recognised and expressed different emotions through engaging emoji-based games.

The joy and enthusiasm displayed by the little ones were truly heartwarming. Their imaginative expressions and cheerful participation made the celebration an unforgettable experience, leaving everyone with cherished memories and reinforcing the importance of learning through fun and creative experiences.
