A Reading Challenge is not just challenging but fun too. It enhances reading skills, improves vocabulary, and increases knowledge.

GD Goenka Public School, Sarita Vihar, successfully conducted **Read-O-Mania**, an exciting inter-house competition for students of Grades VI to VIII. The event was designed to cultivate reading habits, strengthen comprehension skills, and develop the ability to process information efficiently under time constraints.

The competition challenged participants to demonstrate their reading proficiency through a carefully designed task. Students were given passages to read within a stipulated time and were subsequently required to answer a series of comprehension-based questions. The activity tested not only their reading speed but also their understanding, concentration, and accuracy.

Participants were evaluated on the basis of both accuracy and the time taken to complete the task. The students who completed the worksheet accurately in the shortest time secured the first, second, and third positions respectively. Their performances contributed valuable points to their respective houses.

The event witnessed enthusiastic participation and showcased the students' remarkable ability to comprehend, analyse, and respond to written texts swiftly. It also encouraged healthy competition, teamwork, and house spirit among the participants.
