

Report: Exploravision- Inter House Science Model Presentation

Theme: Innovate, Explore, Inspire

Topic: Model Presentation on different scientific concepts

Day and Date of Competition: Friday, July 17, 2026

Classes: VI-VIII

As part of the Science Week celebrations, G.D. Goenka Public School, Sarita Vihar successfully organized the *ExploraVision* Inter-House Science Model Presentation – on 17 July 2026. The event transformed the school auditorium into a vibrant hub of scientific innovation, creativity, and experiential learning.

Students from Classes **VI to VIII** showcased engaging working models based on concepts from their science curriculum. **Class VI** presented an interactive Magnetic Maze and Magnetic Toy, demonstrating the fascinating properties and applications of magnets. **Class VII** captivated the audience with informative models on the Phases of the Moon and Constellations, helping judges understand celestial phenomena through creative demonstrations. **Class VIII** impressed everyone with functional models on Simple Machines, highlighting how everyday tasks become easier through the use of scientific principles.

In addition to the competition entries, several other innovative science models were displayed in the auditorium, allowing students and visitors to explore a wide range of scientific concepts. Participants made their presentations highly engaging by incorporating interactive games, quizzes, and thoughtfully designed souvenirs, encouraging active participation and making learning both enjoyable and memorable.

The event witnessed enthusiastic participation from judges, students, teachers who appreciated the confidence, teamwork, and scientific understanding displayed by the participants.

The judges were highly impressed by the originality, functionality, presentation skills, and overall enthusiasm of the young innovators. *ExploraVision* truly reflected the spirit of scientific inquiry and innovation, making it a memorable highlight of the school's Science

Week celebrations and inspiring students to continue exploring the wonders of science with curiosity and creativity.
