EVENT REPORT

As a part of its commitment to community service and sustainable living, **Interact Club UNNATI**, under the esteemed mentorship of the **Rotary Club of Delhi Rajdhani**, successfully organized a **Newspaper and Old Books Collection Drive** at G.D. Goenka Public School, Sarita Vihar.

The initiative witnessed enthusiastic participation from students, parents, and staff members, who generously contributed old newspapers and gently used books. The drive aimed not only to encourage the principles of **Reduce, Reuse, and Recycle** but also to instill in students the values of social responsibility, environmental consciousness, and compassionate giving.

The newspapers collected during the campaign will be sold, and the proceeds generated will be utilized to purchase **nutritious food items, books, stationery, and chart papers** for children studying at the adopted Anganwadi centres. This initiative will support the holistic development of these young learners by addressing both their nutritional and educational needs.

Through this meaningful endeavour, Interactors experienced the joy of contributing towards a noble cause while understanding that even small acts of kindness can create a lasting impact on society. The drive also reinforced the importance of collective action in building a caring and sustainable community.

Interact Club UNNATI extends its heartfelt gratitude to all the students, parents, teachers, and members of the school community for their overwhelming support and generous contributions. Together, we continue to nurture empathy, service, and responsible citizenship, living true to the Rotary motto of "**Service Above Self.**"
