

THEME: Plantation Drive

DATE: May 4, 2026 to May 11, 2026

VENUE: G.D. Goenka Public School, Sarita Vihar

CONDUCTED BY: Ms. Harsimran Kaur

ATTENDED BY: Students of class X

As part of the ongoing CBSE environmental initiatives, the Class X students of GD Goenka Public School enthusiastically participated in the school's Plantation Drive held from May 4, 2026 to May 11, 2026. The week-long campaign aimed to promote environmental awareness and encourage students to develop a deeper connection with nature. This meaningful green initiative successfully fostered a strong sense of ownership, respect, and shared responsibility towards the environment among the students.

Demonstrating remarkable enthusiasm and commitment towards environmental sustainability, students actively planted a variety of native saplings, including herbs, shrubs, and trees, within the school premises. They participated wholeheartedly in every stage of the activity — from preparing the soil and planting saplings to watering and protecting the newly planted greenery. The students also learned about the importance of afforestation, biodiversity, and the role of plants in maintaining ecological balance. One of the most inspiring aspects of the event was the collective pledge taken by the students to nurture and care for the saplings regularly to ensure their healthy growth and survival. Their active involvement reflected a genuine concern for the environment and highlighted the importance of individual efforts in building a greener future.

The Plantation Drive proved to be an enriching and impactful experience for all participants. It not only beautified the surroundings but also empowered students to recognize their vital role in protecting nature, sustaining life, and combating climate change.
