ATTENDED BY: Class Teachers of classes XI & XII

EVENT REPORT

A workshop on Financial Literacy was conducted for the students of Classes XI and XII by Mr. Mayank Saharia and Ms. Manya Dwivedi from Masters' Union Business School. The workshop aimed to equip students with essential financial knowledge and develop an understanding of the importance of making informed and responsible financial decisions.

The resource persons introduced students to the fundamentals of money management, budgeting, saving, investing and financial planning. They discussed the importance of developing healthy financial habits at an early age and encouraged students to differentiate between needs and wants while making financial decisions.

The session was interactive and engaging, with students actively participating in discussions and sharing their thoughts and perspectives. Real-life examples and relatable situations helped students understand how financial decisions can impact their future.

The workshop also highlighted the importance of financial independence, responsible spending and planning for future goals. Students were encouraged to develop a habit of saving and to become financially aware before entering higher education and the professional world.

Overall, the workshop was an informative and enriching experience for the students. It enhanced their awareness of financial concepts and provided them with practical knowledge that will help them make more responsible and informed financial choices in the future.
