

THEME: Workshop – Road Safety

REPORT: Go-Sharpener in collaboration with SPRA

DATE: September 16, 2026

VENUE: G.D. Goenka Public School, Sarita Vihar

CONDUCTED BY: Ms. Anushree

ATTENDED BY: Classes IV & V

EVENT REPORT

A Road Safety Awareness Programme was conducted for the students of Classes IV and V by Ms. Anushree from ParaSafe, in association with Go Sharpener. The session aimed to sensitise students about the importance of following road safety rules and adopting responsible behaviour while using roads.

Ms. Anushree engaged the students through an informative and interactive session, highlighting various aspects of road safety. Students were made aware of the importance of following traffic signals, using zebra crossings, wearing helmets and seat belts, walking safely on roads and being alert while travelling. The session also emphasised the role of pedestrians and passengers in ensuring their own safety as well as the safety of others.

The students actively participated in the session and shared their experiences and understanding of road safety practices. The interactive nature of the programme helped them understand that road safety is a shared responsibility and that small responsible actions can prevent accidents and save lives.

To reinforce the learning, a Slogan Writing Competition was conducted at the end of the programme. Students enthusiastically expressed their ideas on road safety through creative and meaningful slogans. The activity encouraged them to spread awareness among their peers and family members.

The programme concluded with the distribution of gifts to the students, adding to their excitement and encouraging their active participation. Overall, the Road Safety Awareness Programme was an engaging and meaningful initiative that helped students develop greater awareness of safe and responsible road behaviour.
