EVENT REPORT

On 9th September 2026, the students of Class 3 actively participated in a Plantation Drive conducted within the school premises. The activity was organized with the objective of instilling environmental awareness and responsibility among young learners.

The students, guided by their teachers, planted a variety of saplings including flowering plants, shade-giving trees, and medicinal herbs. Each child enthusiastically took part in digging soil, planting saplings, and watering them. The teachers explained the importance of trees in maintaining ecological balance, providing fresh air, and adding beauty to the surroundings.

The students also took a pledge to nurture the plants and contribute towards creating a greener and healthier environment. Their excitement and commitment reflected the success of the drive.

Overall, the plantation drive was a fruitful initiative that not only beautified the school campus but also created environmental consciousness among the young students.
