EVENT REPORT

Students of Class X GD Goenka Sarita Vihar participated in the DOE Science Centre-Level Competition held on 7 September 2026. The main theme for the competition was “Science and Technology for the Benefit of Mankind,” The event provided students with an enriching platform to showcase their creativity, scientific understanding, and awareness of the role of science and technology in addressing societal needs. Students of Class X presented their ideas through an engaging and thought-provoking drama performance.

The students demonstrated excellent teamwork, confidence, creativity, and a clear understanding of the theme. Their effective presentation and impactful portrayal of the positive contribution of science and technology were highly appreciated by the judges. The team’s outstanding performance earned them 1st Position in the Science Drama competition, bringing great pride to the school. The achievement reflects the students’ dedication, collaborative spirit, and commitment to promoting scientific awareness.
