

Fostering growth through balanced education

The view of the school

Over the past decade, significant growth has been achieved by G D Goenka Public School, Sarita Vihar, as it has evolved from catering to classes up to Class 7 to becoming an institution offering education up to Class 12. Addressing the same before the admission season, the school's management team says, "Over the years, we have developed a strong alumni network excelling in fields such as arts, medicine, engineering, and entrepreneurship."

"Combining holistic development with innovative pedagogy, the school has achieved various milestones and continues to thrive. Rooted in experiential and project-based learning, we nurture academic excellence, critical thinking, and problem-solving skills. Recognised as a Fit India School, it emphasizes balanced growth through physical fitness and mental well-being," the team adds.

"Sustainability remains a core focus, with students engaging in eco-friendly projects that earned the 'Sustainability Superstar Award 2024' for nature conservation. Our community outreach initiatives, recognised by the Rex Karmaveer Award for Change Champions in partnership with the UN, include collaborations with NGOs addressing mental health, disaster management and geriatrics," the team shares.

The faculty has played a pivotal role in

The school received 'Sustainability Superstar Award 2024' for nature conservation

guiding students to achieve academic excellence. "The school has excelled across the G D Goenka network and received the Academic Excellence Award, with evidence-based assessments highlighting its focus on lifelong learning and global citizenship," the team says. They add, "The school's inclusive practices have been celebrated with the Best Inclusive Practices Award, reflecting its commitment to diversity and equity. Leadership has been in-

strumental in this journey, with the school's principal, Seema Sahay, receiving the prestigious Leader of the Year Award among all G D Goenka Schools, pan-India, exemplifying visionary guidance."

Also recognised as Times Education Icon, the school's mission is to cultivate future-ready leaders and innovators, rooted in values and excellence.
