Thriving through its Philosophy "Thrive. For Life"

GD Goenka School, Sarita Vihar, continues to embody its philosophy "Thrive. For Life." with remarkable accomplishments. The year's high point has been the outstanding academic results, prestigious awards, and holistic development initiatives that reinforced the institution's reputation for quality.

Class XII students achieved an impressive 95% average in the CBSE Board examinations, with perfect scores in Biology, while Class X achievers secured scores above 94%. The school was honoured with the Gayatri Devi Goenka Excellence honour for Luminary Leader of the Year, awarded to Principal Seema Sahay, alongside the Academic Laureate, Nurturing Talent, and Soaring Falcon Awards (Pan India).

On the global stage, GD Goenka Sarita Vihar received the British

Council's Recognition of International Dimension in Schools Award (RIDS). Students brought laurels by winning medals at the World Scholar's Cup in Malaysia, excelling at STEM Racing India, and securing first position at the International Computing Olympiad. The AI Terminators team, hackathon victories, and design challenges showcased innovation and creativity.

Beyond academics, sustainability initiatives, Science Week, and digital safety programmes enriched learning. Sports achievements included gold medals in roller skating, taekwondo, and basketball. Students also excelled in Olympiads, literary festivals, and national competitions.

Leadership and social responsibility were nurtured through Youth Parliament, MUN conferences, the GDG Anganwadi Programme, and

Seema Sahay, Principal

Rotary's UNNATI Club. With strong emphasis on faculty development, career guidance, and parent enrichment, GD Goenka School, Sarita Vihar continues to empower confident, compassionate, and future ready learners—truly enabling every child to "Thrive. For Life."
