## PARENTS' INDUCTION

**THEME:** Class wise Induction Programme

**REPORT:** Parents' Induction for Parents of Nursery to X

**DATE:** Saturday, April 07, 2018

### EVENT REPORT

GD Goenka Public School firmly believes that both parents and teachers should work as a team and both standing behind each other and work towards a shared goal, which is to provide the students with the right platform to hone their skills and enhance their learning.

To achieve the same it becomes imperative for both, the school and the parents to be in sync therefore it is essential for the parents to be acquainted with the functioning of the school in order to participate efficiently in the academic development of their child. In view of this thought, the school organized a Class wise Induction programme for parents of classes from Nursery to X. The programme was organized on Saturday, April 07, 2018. The parents were apprised of the curriculum, extra-curricular activities, assessments, teaching learning methodology and all other systems which would be an essential part of the school routine during the forthcoming session. The parents were guided through PowerPoint presentations and demonstrations by the class and subject teachers.

The Induction programme helped the parents to get a better understanding of the teaching-learning methodology and also build upon the parent-school partnership.
