PARENTS' INDUCTION

THEME: Induction Programme for Parents

REPORT: Parents' Induction at G. D. Goenka Public School, Sarita Vihar

DATE: Saturday, April 23, 2016

EVENT REPORT

Students' progress involves the hard work of both teachers at school as well as parents at home. It is essential for parents to be acquainted with the functioning of the school in order to participate efficiently in the academic development of the student. In keeping with this thought, G. D. Goenka Public School, Sarita Vihar, organised the annual induction for parents of all on Saturday, April 23, 2015.

With the help of Powerpoint presentations, teachers of classes Nursery-VIII apprised parents of the curriculum, extra-curricular activities, assessments, and all other systems which constitute the students' schedule throughout the academic calendar.

Allowing for the first one-to-one interaction between classteachers and parents, the induction was a necessity for both the interest groups to be on the same page vis-à-vis the requirements of a favourable academic performance of all students.
