

## G. D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

**THEME: Free Expression**

**REPORT: Session End Week Celebration**

**DATE: March 12th-18th, 2019**

**CLASS: Nursery to II**

### EVENT REPORT

**“Children learn as they play. Most importantly in play, children learn how to learn”**

As students of Grade I & II moved towards the final week of yet another successful session 2018-19, G. D. Goenka Public School, Sarita Vihar celebrated the last working week as the Fun Week for the young Goenkans.

A plethora of activities were organized to showcase the talent, creativity and enthusiasm of our little Goenkans. The week started with **Sing a Song and Play Along** activity in which students came prepared with a song or a musical instrument to exhibit their musical skills. This was followed by a session on **Fascinating Space** which included space related activities. The following day, the students gave a solo performance on foot tapping number which was thoroughly enjoyed by one and all during the **Dance Away** activity.

The children with the guidance of their teachers were taught various art techniques like origami, pencil shading to name a few. Children brought forward amazing pieces of art applying these skills on the **Artist’s Day**.

“Smile a lot it costs nothing” is saying known to one and all. This was also the theme; **Laughter is the Medicine** for the next day activity. Children shared jokes and recited funny poems. Following the laughter session children had an impromptu picnic in the school grounds where they had their meal in the company of their friends and basked under the sun that added more to the fun.

To bring in the essence of our traditional indoor games and stay away from screen games, the last day of the fun week was dedicated to **Play My Way**, the children played a variety of board games like Ludo, Carrom in the class with their classmates followed by a class party and a JAM session.

These fun- packed days provided children with lots of adventure, activities, expansion of knowledge in a joyful manner. It was indeed a fun filled culmination of a fun filled session.
