Event Report

“When you have a rainbow deep down in your heart, your smile will shine bright. You know you're a part of that colourful, magical, feeling you'll find when you have a rainbow inside.”

A Rainbow is an arc of colors and when we see it surely brings an arc (smile) to everyone's face. To bring this smile to the faces of the little Goenkans of Nursery, the Rainbow day was celebrated with a lot of fervour on Friday, July 19, 2019 at G D Goenka Public School.

The students came dressed in the alluring shades of rainbow colours and looked vibrant and bright. A Show & Tell activity was organized on the theme, for which the students came well prepared with Rainbow coloured objects and pictures and spoke a few sentences very confidently on the same too. It was an excellent learning experience for the children which enhanced their skill of color identification. To give a colourful wrap to this eventful day, each student prepared beautiful a 'rainbow craft' which brought a wide smile of satisfaction on their faces.

The objective of this celebration was to recapitulate the concept of Colours and enhance the awareness and appreciation for colors in their world.
