

# G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR

**THEME:** Road Safety

**REPORT:** Road Safety Workshop by IL&FS in association with BMW

**DATE:** Thursday and Friday, April 6-7, 2017.

## EVENT REPORT

**“ The true purpose of education is to produce citizens”**

G.D.Goenka Public School, Sarita Vihar not only works towards achieving academic excellence but also to make students more able, involved and responsible citizens of tomorrow. With the combination of knowledge, skills and common values the school ensures that that the young learners will bloom into productive citizens.

On Thursday and Friday, April 6 - 7, 2017, Goenkans across classes 1 to 3 learnt the fundamentals of road safety through a workshop conducted by a team of IL&FS and BMW executives in the school premises. An exciting road travel environment consisting of zebra crossings, road signs and traffic signals was built on the school ground to give children a real traffic feel. As a part of a unique hands-on experience, each child was given a chance to drive mini BMW cars and bikes on the road network. They were educated on the different signs to follow while on road. They also enjoyed watching a story on road safety and enthusiastically participated in the question- answer round that followed. Each students was also presented a book on Road Safety Rules as a takeaway. It was an informative workshop wherein the students savored the thrilling experience of being behind the wheels and developed skills to become more mindful and conscious citizens.
