### SHOW AND TELL

“Tell me and I forget, teach me and I may remember, involve me and I learn.”

— Benjamin Franklin

Show and tell is a key part of the school day and an important part of child's learning development, as it helps them to organise information and builds their confidence.

It's a chance for children to think 'outside the box' a little and invite their teacher and classmates to come into their own little world for a minute or two.

On April 26, 2016, the first Show and Tell activity was organised for the little Goenkans of Nursery class on the theme of “My Favourite Toy”. Children brought their favourite toys from home such as teddy bear, car, ball, motorbike, doll etc. and spoke few lines on the same, beginning with their self introduction, in front of their teachers and classmates.

Children thoroughly enjoyed this activity and the performance they gave on their first Show and Tell was worth appreciating.
