

G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR
SUMMER ENRICHMENT PROGRAM 2018

THEME: Sports, Visual and Performing Arts

REPORT: Summer Enrichment Programme 2018

DATE: May14- May24 , 2018

VENUE: School Premises

CLASS: Grade I to Grade VII

EVENT REPORT

Summer Enrichment Programmes give children a good break from monotonous study schedule and help them build self-confidence and strengths by removing the kind of academic, athletic and social competition that shapes their lives on normal school days. With its skill enhancing activities and diverse opportunities to succeed, the summer enrichment programmes boost young minds. In order to give its students this mental boost, G.D. Goenka Public School, Sarita Vihar organized a ten-day Summer Enrichment Programme in the school premises from 14 May-24 May 2018.

The activities were divided into two categories: a) Sports and b) Visual and Performing Arts. Each category included a number of activities ranging from Nrityakala (Dance), Kriti (Art), Abhinay (Theatre), Dhvani (Music) in the creative domain to Yoga, Lawn Tennis, Badminton, Table Tennis, Horse Riding, Skating and Taekwondo and Step up as outdoor sports for the students of classes I-VII. The activities tapped on the students' interest areas and provided them an opportunity to discover their potential in different fields.

HIGHLIGHTS

- About 160 students honed their sports skills by attending special tennis, table tennis, badminton, skating, Taekwondo and yoga sessions under the guidance of their able coaches and trainers.
- In **Nrityakala** classes more than 80 students learnt various important techniques related to dance like, appropriate postures, workout, synchronization of hand and feet movements etc.
- **Kriti**, the art classes provided the students with opportunities to better their creativity by participating in stamp making, pottery, calligraphy, typography, clay modeling, Mandala art and Madhubani painting etc.
- The little geniuses of Classes I-VII explored the majestic world of astronomy by attending special astronomy classes, where they learnt about Stellarium software, Mysterious Moon, Milky way and Magic of Air Pressure an rocket launching.
- **Abhinay**(Theatre) witnessed an overwhelming participation from 70 students across classes I to VII. The enthusiastic actors were acquainted with each other through an Ice Breaking session by dividing them into two teams. Each team was given a situation to present upon stage. Discussion, role distribution, preparation and final enactment served the purpose of bringing all together encouraging equity, inclusion and diversity.
- The young students were guided about the table manners in **Good Food** Classes. They also enjoyed cooking without fire and prepared delicacies like American Sev Puri, Roohafza Mojito, Chocolate Tower and Bread Cake, Chocolate balls and Fruit Cream.
- To hone the singing skills of students, **Dhwani** (Music) classes gave them the practice of Basic Notes, Prayer Song (Ek Tu Hi Bharosha), Friendship Song(Count On Me) and Action Song (Deep Deep Deep).

The concluding day comprised a valedictory function during which the students shared their experiences of the activities they were a part o. Every participant was also awarded a certificate of Appreciation for a successful completion of the programme by the school Principal, Ms. Seema Sahay who stressed on such programmes which lead to skill building of the students.
